## 2012-13 Opportunities in Biological Sciences

The Fulbright U.S. Scholar Program offers **teaching, research or combined teaching/research awards** in biological sciences. Faculty and professionals in biological sciences also can apply for **“All Discipline”** awards open to all fields.

Here are a few of the awards for 2012-2013:

**Botswana:** Award 2004 - Indigenous Knowledge for Health and Food

**Mauritius:** Award 2036 - Food Safety or Turf Grass Production and Landscaping

**Russia:** Award 2335 - Distinguished Chair in Energy Conservation

**Ecuador:** Award 2511 - Science and Technology

**Pakistan:** Award 2470 - Multiple Disciplines

For more information on 2012-13 opportunities in biological sciences, please visit [www.iie.org/cies](http://www.iie.org/cies).

The deadline for applications is **August 1, 2011**.

The Fulbright Program, sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs, is the U.S. government's flagship international exchange program and is supported by the people of the United States and partner countries around the world. For more information, visit [fulbright.state.gov](http://fulbright.state.gov).

The Fulbright Scholar Program and the Hubert Humphrey Fellowship Program are administered by the Institute of International Education's Department of Scholar and Professional Programs, which includes the Council for International Exchange of Scholars.
