Represent American Scholarship Abroad

2012-13 Opportunities in Chemistry

The Fulbright U.S. Scholar Program offers **teaching, research or combined teaching/research awards** in chemistry. Faculty and professionals in chemistry also can apply for **“All Discipline”** awards open to all fields.

Here are a few of the awards for 2012-2013:

Rwanda: Award 2053 - Science and Technology

Indonesia: Award 2099 - Science and Technology

Estonia: Award 2207 - Science Disciplines

Brazil: Award 2490 - Fulbright-FACEPE Distinguished Chair in the oil and Gas Sciences and Engineering

Pakistan: Award 2470 - Multiple Decisions

For more information on 2012-13 opportunities in chemistry, please visit www.iie.org/cies.

The deadline for applications is **August 1, 2011**.

The Fulbright Program, sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs, is the U.S. government's flagship international exchange program and is supported by the people of the United States and partner countries around the world. For more information, visit fulbright.state.gov.

The Fulbright Scholar Program and the Hubert Humphrey Fellowship Program are administered by the Institute of International Education's Department of Scholar and Professional Programs, which includes the Council for International Exchange of Scholars. For more information, contact us at scholars@iie.org or 202-686-4000, or visit www.iie.org/cies.
