Represent American Scholarship Abroad

2012-13 Opportunities in Engineering

The Fulbright U.S. Scholar Program offers **teaching, research or combined teaching/research awards** in engineering. Faculty and professionals in engineering also can apply for **“All Discipline”** awards open to all fields.

Here are a few of the awards for 2012-2013:

Burkina Faso: Award 2011 - Engineering or Environmental Sciences

Namibia: Award 2049 - Engineering, Public Health, Biomedical Science, IT and Logistics

Indonesia: Award 2099 - Science and Technology

Philippines: Award 2122 - Global Issues

Argentina: Award 2480 - Science and Technology

For more information on 2012-13 opportunities in engineering, please visit www.iie.org/cies.

The deadline for applications is **August 1, 2011**.

The Fulbright Program, sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs, is the U.S. government's flagship international exchange program and is supported by the people of the United States and partner countries around the world. For more information, visit fulbright.state.gov.

The Fulbright Scholar Program and the Hubert Humphrey Fellowship Program are administered by the Institute of International Education's Department of Scholar and Professional Programs, which includes the Council for International Exchange of Scholars. For more information, contact us at scholars@iie.org or 202-686-4000, or visit www.iie.org/cies.
