## 2012-13 Opportunities in Environmental Sciences

The Fulbright U.S. Scholar Program offers **teaching, research or combined teaching/research awards** in environmental sciences. Faculty and professionals in environmental sciences also can apply for **“All Discipline”** awards open to all fields.

Here are a few of the awards for 2012-2013:

**Mauritius:** Award 2035 - Renewable Energy and Sustainable Development

**Russia:** Award 2334 - Science and Innovation

**Ukraine:** Award 2364 - Principles of Sustainable Development

**India:** Award 2458 - Environmental Leadership

**Canada:** Award 2499 - Fulbright Canada Visiting Research Chairs in Environmental Studies

For more information on 2012-13 opportunities in environmental sciences, please visit **[www.iie.org/cies](http://www.iie.org/cies)**.

The deadline for applications is **August 1, 2011**.

The Fulbright Program, sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs, is the U.S. government's flagship international exchange program and is supported by the people of the United States and partner countries around the world. For more information, visit [fulbright.state.gov](http://fulbright.state.gov).

The Fulbright Scholar Program and the Hubert Humphrey Fellowship Program are administered by the Institute of International Education's Department of Scholar and Professional Programs, which includes the Council for International Exchange of Scholars.
