## 2012-13 Opportunities in Mathematics

The Fulbright U.S. Scholar Program offers **teaching, research or combined teaching/research awards** in mathematics. Faculty and professionals in mathematics also can apply for **“All Discipline”** awards open to all fields.

Here are a few of the awards for 2012-2013:

**Uganda:** Award 2069 - Physics, Mathematics and Chemistry

**Indonesia:** Award 2099 - Science and Technology

**Italy:** Award 2269 - Math and Sciences at University of Tyrento (Junior Research Lectureship)

**Russia:** Award 2334 - Science and Innovation

**Germany:** Award 2230 - U.S.-Germany International Education Administrators Program

For more information on 2012-13 opportunities in mathematics, please visit [www.iie.org/cies](http://www.iie.org/cies).

The deadline for applications is **August 1, 2011**.

The Fulbright Program, sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs, is the U.S. government's flagship international exchange program and is supported by the people of the United States and partner countries around the world. For more information, visit [fulbright.state.gov](http://fulbright.state.gov).

The Fulbright Scholar Program and the Hubert Humphrey Fellowship Program are administered by the Institute of International Education's Department of Scholar and Professional Programs, which includes the Council for International Exchange of Scholars.
