The Fulbright Program

- Established 1946 to expand and strengthen the relationships between the people of the United States and citizens of the rest of the world
- Sponsored by U.S. Department of State's Bureau of Educational and Cultural Affairs and administered by the Institute of International Education's Council for International Exchange of Scholars (CIES)

Sponsored by the U.S. Department of State,
Bureau of Educational and Cultural Affairs

Diversity and Inclusion

Fulbright strives to ensure that it reflects the diversity of U.S. society and societies abroad. We encourage the involvement of people from traditionally underrepresented audiences in all our grants, programs and other initiatives.

Opportunities are open to people regardless of their race, color, national origin, sex, age, religion, geographic location, socioeconomic status, disability, sexual orientation or gender identity.
