June 26, 2019
Washington, DC
Mission

In partnership with 160 countries worldwide, Fulbright offers passionate and accomplished faculty, administrator, artists, journalists, lawyers, and other professionals from all backgrounds an unparalleled opportunity to study, teach, or conduct research.

Our mission: foster mutual understanding between nations, advance knowledge across communities, and improve lives around the world

A Brief History

Established in 1946 by Congress, Fulbright is the United States government’s flagship international educational and cultural exchange program.

Sponsored by the U.S. Department of State with funding provided by the U.S. Government and administered by the Institute of International Education.
Diversity and Inclusion

Fulbright strives to ensure that it reflects the diversity of U.S. society and societies abroad. We encourage the involvement of people from traditionally underrepresented audiences in all our grants, programs and other initiatives.

Opportunities are open to people regardless of their race, color, national origin, sex, age, religion, geographic location, socioeconomic status, disability, sexual orientation or gender identity.
Eligibility for U.S. Scholar Programs

• U.S. citizenship

• Degree as required by award
  – Ph.D. or other terminal degree may be required
  – Many awards are open to applicants with a Masters and professional or academic experience

• Open to professionals and artists outside academia with recognized standing and substantial accomplishments

• Teaching experience as required by award

• New policies on previous Fulbright Scholar grants and waiting periods between grants
Selecting the Right Award

• Match your expertise, experience and proposal to the award description

• Regional experience and language ability

• Discipline preferences listed in the award

• Relevance of the project to the country; why will host country benefit from your project?

• Career level - early career, postdoctoral, mid-level, Distinguished Chair
