Mission

In partnership with 160 countries worldwide, Fulbright offers passionate and accomplished faculty, administrator, artists, journalists, lawyers, and other professionals from all backgrounds an unparalleled opportunity to study, teach, or conduct research.

Our mission: foster mutual understanding between nations, advance knowledge across communities, and improve lives around the world.

A Brief History

Established in 1946 by Congress, Fulbright is the United States government’s flagship international educational and cultural exchange program.

Sponsored by the U.S. Department of State with funding provided by the U.S. Government and administered by the Institute of International Education.
Diversity and Inclusion

Fulbright strives to ensure that it reflects the diversity of U.S. society and societies abroad. We encourage the involvement of people from traditionally underrepresented audiences in all our grants, programs and other initiatives.

Opportunities are open to people regardless of their race, color, national origin, sex, age, religion, geographic location, socioeconomic status, disability, sexual orientation or gender identity.
Scholar-in-Residence Program

- Brings scholars and professionals from abroad to campuses that do not often host visiting scholars
- Involves colleges and universities that serve student populations underrepresented in international exchange programs
- S-I-R grantees
  - Primarily teach undergraduates
  - Provide cross-cultural/ international perspective
- Application is made by the interested U.S. institutions
  - 1 semester or full academic year options
