Fulbright U.S. Scholar to Austria

- Dr. Joseph Malherek

- Fulbright U.S. Scholar Austria 2017-2018

Dr. Malherek: Enjoying some Glühwein at one of Vienna’s many wonderful Christmas markets
Dr. Joseph Malherek experience in Austria

- Fulbright-Botstiber Visiting Professor of Austrian-American Studies in the Department of English and American Studies at the University of Vienna for the 2017/18 Winter Semester.
- One of the benefits of Fulbright is the opportunity to meet scholars in your host country and throughout Europe.
- Successful because the research project so clearly fit the theme of the fellowship I applied for, and it was evident that the project would benefit from research in unique archival collections in Vienna.
Dr. Joseph Malherek experience in Austria

➢ One of my letters of recommendation came from a former Fulbrighter, which probably also helped.

➢ Fulbright accomplishes precisely what it claims to do—that is, to establish international friendships and professional relationships that not only serve the individual interests of scholars but also promote transnational, global understanding and collegiality.

➢ Communicating a genuine belief in this broader mission in your application will also probably improve your chances of success.
